

# SERIOUS GAMES FOR SERIOUS QUEST- IONS

## PROGRAM OF THE DAY

### EXPERT SPEAKER - THEME #1 POLARISATION

Today's speaker is Ron van Wonderen, who is currently working at the Kennisplatform Integratie & Samenleving.

### DESIGN YOUR GAME ELEMENTS

In the gamejam set up you will rotate from table to table. Each table covers a gamedesign element.

### VISUALISE & PRESENT

In the final round each table creates a visualisation and present their tables' game element in reference to polarisation.

### "BORREL"

Stay a bit and chat! There will be snacks and drinks. Curious about next gamejam? Ask the trainers.
